

Christian Women's Job Corps® of Madison County

We have much to be excited about for our students and graduates in 2016!

*...They will be called oaks of righteousness, a planting of the LORD
for the display of his splendor. Isaiah 61:3*

- Overall, CWJC served a total of **240** women this past year in the Huntsville/Madison County area through our resource referral services, job-readiness classes, mentoring program, continuing education classes, scholarship program, car donation program, and career clothes closet.
- **57** students received services this year in the classroom phase of our spring and fall programs. Each student was given a flash drive to save their resumes and other important information.
- **17** students from 2015 continued to receive our services as they took part in the mentoring program.
- **6** Computers were given to our graduates, providing the means to continue to practice newly acquired computer skills, complete coursework for college or vocational training, and search for a job. We currently have a waiting list of **28** graduates who are eligible for a computer.
- All of our students received instruction in Microsoft Office at no cost. **21** hours of computer instruction in Word, PowerPoint, and Excel would cost approximately **\$800.00** each in a similar continuing education program
- **58** students, prospective students, and graduates attended our reunion event, receiving such services as health screenings, professional photography for their public profiles, food, clothes closet shopping, community resource materials, and more!
- **5** vehicles were donated, and were given to graduates in 2016, allowing them to have reliable transportation to school and work.
- **6** Students took the official GED practice test in a specific subject. **1** graduate of our program and **1** current student passed the GED exam!
- **57** Bibles were given to students.
- **9** students took part in a Sephora Class for Confidence, giving them instruction in applying makeup to create a professional look
- In addition to our 2016 students, **63** of our graduates and others in the community were given countless articles of clothing from our career clothing closet. **Our clothes closet is for anyone in our community with a need.**
- **31** students participated in the volunteer internship component, gaining important job skills and obtaining good references for pursuing future employment.
- **56%** of our students who graduated in **spring of 2016** are employed. Of that number, **50%** were hired for a new position or their work hours increased. **68%** of our students who graduated in **fall of 2016** are employed. Of that number, **62%** were hired for a new position or their work hours increased.
- This year a total of **36** students graduated from our program in the spring and fall semesters. **10** of our graduates returned to our Union Hill site to get additional computer training.
- All of our students were shown that God desires a personal relationship with them and that He has a plan for their lives!
