

Mentor/Mentee Bible Study Resources

At each site, the Mentee has taken part in Bible Study throughout Phase I of CWJC®. In many cases, the curriculum was not completed due to the length of Phase I (10 or 12 weeks). The Mentor and Mentee may complete the Bible Study curriculum used but not completed during Phase I and then move on to additional curriculum.

In addition, you as the Mentor are not responsible for purchasing the materials used by both yourself and the Mentee, but may do so if you wish. The Mentee may take more ownership in the study if she purchases the material(s) herself.
