

# Christian Job Corps® is now accepting applications for fall semester 2023.

**At no financial cost to you**, learn the skills needed to build confidence, discover a new career, and improve your life.

## Career

This class enhances students' knowledge regarding career choice, pursuing additional education, and fine-tuning job search skills.

## Computer

Designed to give students crucial computer skills, students learn keyboarding and basic computer software.

## Money Management

Students receive instruction in budgeting and debt reduction.

## GED Tutoring

Small group tutoring for those preparing to take the GED.

## Bible Study

Non-denominational Bible study is designed to help students discover their life purpose.
