

Christian Job Corps®
is now accepting applications for
spring semester 2024.

At no financial cost to you, learn the skills needed to build confidence, discover a new career, and improve your life.

Career

This class enhances students' knowledge regarding career choice, pursuing additional education, and fine-tuning job search skills.

Computer

Designed to give students crucial computer skills, students learn keyboarding and basic computer software.

Money Management

Students receive instruction in budgeting and debt reduction.

GED Tutoring

Small group tutoring for those preparing to take the GED.

Bible Study

Non-denominational Bible study is designed to help students discover their life purpose.

Located at
First Baptist Church and
Trinity Baptist Church
